Limon Youth Traveling Basketball League
3rd -6th Grade

Dear Parents,

The youth traveling basketball league we have participated in the past is no longer an option. Other teams in the league have gotten out of the league or will be doing something different. **Parents Meeting Nov. 1st at 7:00 PM in the foyer of Activities Building.**

This year we are going to play in tournaments on different weekends hosted by different schools in the area. These tournaments might be on a Saturday all day or even on a Sunday afternoon. The idea is to have a 3-game guarantee when you go to these tournaments allowing the kids to get more games than in past years. Limon will look to host one or two tournaments and then we would sign you up to play in any of the other tournaments that the coaches want to play in. Most of these tournaments will be in Simla, Calhan, Peyton, and Miami-Yoder. There are tournaments in other places also that we could play in at the coach's request. There will no longer be a league tournament at the end of the season.

It will take a huge commitment from the players and the parents to make this program a success. Practices will begin the week of November 6th at the earliest and will be held during the evenings between 7:00-8:00 p.m. Each team will practice one time per week. The first tournament will be in Calhan on November 18th and 19th. This is a competitive league. Parents will have to provide or arrange transportation for their children to and from games.

There will be a **$40 fee payable to the Limon Recreation Department** for each player who participates to help pay for team shirts and other program expenses.

If your child is interested in participating in the youth basketball traveling league please sign below. Return this form and $40 fee back to the school or Town Hall by **Oct. 27, 2023**. This is very important as jersey's have to be ordered before the first tournament. Make checks payable to the Limon Recreation Department.

The Limon Recreation Department will continue to run the basketball program on Fridays starting in January as they have done in the past if you are unable to travel.

If you have questions about this program, please feel free to contact Jason Bandy, Limon Recreation Director at 719-775-2346 or 719-892-0919. Check Town of Limon Facebook for updates.
